### MODULE 3: Language Courses

- German for Internationals – beginner's class (A1)
- German for Internationals – advanced classes up to C1
- Teaching in English (B2–C2)
- Further courses available: <https://www.sprachenzentrum.uni-passau.de/en/language-courses>

### MODULE 4: Summer School

July 2026: Schools in the Age of Uncertainty (3 ECTS solo, 6 ECTS combined with the course in Module 1). This intensive one-week event brings together international and local students for lectures, workshops, and school visits focused on the Sustainable Development Goals and global educational challenges. It has to be taken by all students.

## **MODULE 5: Elective Courses**

Exchange students are eligible for all international courses taught at the University of Passau. Please note that enrollment might be limited if a class is already full. The complete programme of the current and upcoming semester can be viewed here:

<https://www.uni-passau.de/en/study-options/english-taught>

Please note that currently (March 2026), the spring term is still referenced as the upcoming term. This will most probably change on April 1st.
